UMAGE

CHORDIS

Designed by Jonas Søndergaard

In a timeless blend of glass and graceful notes, UIMAGE is introducing a new addition to their lighting collection: Chordis.

Crafted with meticulous attention to detail, the Chordis lampshade features a delicate interplay of brass accents and curved glass. The glass creates an airy, almost invisible feel while the brass provides a striking contrast, enhancing the design with a subtle, sophisticated warmth. Designed by Jonas Søndergaard, Chordis brings a soft glow and refined balance to any setting.

"Illuminating spaces with harmony and elegance, Chordis combines the timeless beauty of glass and brass accents with the lyrical grace of piano strings." – Jonas Søndergaard, Designer

Perfectly suited for dining areas, living spaces, restaurants, and hotels, the Chordis lampshade serves as a functional light source and a decorative centerpiece. Its airy design ensures it complements a variety of interiors, from classic to contemporary, while its understated sophistication adds a touch of grace to any setting.
